## WHAT IS A PARENT PORTAL?

The ParentPlus web portal connects parents and students with schools and teachers. As a parent, you can quickly stay informed about what's happening at the school and your children's classes—from knowing if the school is closed on a given day to seeing how well your child did on his or her last homework or exam. With features such as E-Locker, uploading homework as a parent or student is a breeze and only a few clicks away.

# WHAT IS IN THE PORTAL?

You can find grades, attendance, discipline, calendars, announcements, newsfeeds from the school, and forms.

## E-MAIL ADDRESS IS THE KEY!

Please ensure that you have a valid e-mail address in Rediker. If you have not been receiving our e-mail messages, then chances are likely we do not have the proper e-mail in the system for you.

You cannot access the portal with an e-mail address.

# MOBILE APP

First, download the app. Search for “Rediker” or “ParentPlus.” For iPads, you will need to look under “iPhone Only” for ParentPlus Portal. After downloading the app, it will ask you for the name of our school. Our school name should appear as BISHOP GRIMES. Finally, add your username/password you will receive for the portal.
