Program Description**

The program consist of five weeks of dance intensive conditioning and rehearsals. The first two weeks (**Session 1: July 9th-20th**) are a concentration of **hip-hop dance**, where students will learn basic hip-hop movement as well as advanced choreography to a modern hip hop song. The third through fifth weeks (**Session 2: July 23rd - August 10th**) are a concentration in **Musical Theatre Dance**, in which students will learn two selections from a Broadway musical. Students will learn to sing one of songs and then work the choreography for that song. You may sign up for one session or both. You do not need to be available for the full 5 weeks to participate. There is **NO FEE** for this program to participate. This is open to Bishop Grimes Students free of charge.

In both sessions, there will be daily rehearsals Monday through Friday from 12pm until 2:00pm. Every rehearsal is mandatory. As a collective performance, rehearsals suffer when attendance is not at 100%. Because time is limited in the program, any participants who miss rehearsals and cannot catch up to speed, may have their part/role assigned to another student. Participants who miss rehearsals **without prior notice** will be removed from the program. Each session will end with a final performance for families and friends.

Materials

- ***Water Bottle** - the program is physically demanding, students will need water on hand.
- ***Sneakers** - Sandals, flip flops, moccasins, and/or boots should not be worn.
- ***Food** - bring something healthy to refuel during breaks. You will need it!

Clothing

Students should wear something that they are comfortable in and are able to dance in. It is encouraged that they wear any of the following to rehearsals:

- Athletic/Gym shorts
- Sweatpants (No jeans)
- Leggings
- T-shirt or tank top
- Sneakers (No converse, moccasins, or open toed shoes)

***By signing, I recognize and abide to the rehearsal attendance policy, required materials* and clothing. I (the student) also commit to the program and to the performance at its conclusion.**
